

---

**Confluence 2023:  
Coming Together to Learn, Lead, and Speak for Health!**

Double Tree Hotel, Billings, MT

---

**Parking Information**

Conference attendees are welcome to park in two locations at no cost: DoubleTree's front parking lot and Park 2 Garage across the street from the hotel on 1st Avenue.

**Parking validation**

When parking in the garage, attendees will need to get a parking ticket and bring it into the building to get it validated. It can be validated at the front desk, or at the registration table.

Tickets **must** be validated in order to get out of the parking garage for free.

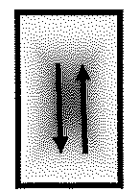

*Please note:* there is another parking garage near the hotel parking garage across the street. Parking here will **not** be free for attendees.

Detailed parking information and instructions can be found below.

Alley

Porte-cochere

- 3 handicap accessible spots
- 5 Diamond Member spots
- At least 20 general spots

Montana Ave.  
ONE WAY

## Guest/Group Parking Instructions

1. Guests may park in the parking lot along N. 27th Street and Montana Avenue if a spot is available.
2. Alternatively, guests may enter the Park 2 Garage along N. 27th Street or 1st Avenue North. The entrances are indicated with green arrows on the map.
3. On the way in, guests will need to pull a ticket from the kiosk. This ticket shows the date/time of entry, and the guest should bring this with them into the building.
4. Validation stickers may be supplied to groups to distribute at their registration tables, or guests may stop by the front desk for a validation sticker.
5. Upon exiting the parking garage, guests need to scan the barcode on their parking ticket followed by the barcode on the validation sticker. This will grant a free exit.

\*If guests lose their ticket, we will not be able to get them out for free, and they will have to pay the parking cost. The cost is \$1/hr up to \$8/day. The only acceptable form of payments are credit cards or Text to Pay. American Express cards are not accepted. Instructions are posted on the kiosk in case this event arises.
